

# We provide intelligent power solutions

Dual USB in-car chargers

Switching power supply

## 600,000 switching power supplies monthly

Our factory covers 25,000m<sup>2</sup> and is manned by more than 350 skillful and diligent workers. This workforce enables us to turn out 600,000 switching power supplies and adapters monthly. We also employ a powerful R&D team devoted to new and fashionable designs and styles, as well as a strict QC management system to ensure the highest level of product quality.

## Providing timely sales services

We offer various material options including ABS or PC and our MOQ starts at 2,000 pieces per item. We promote our products in the markets of Europe and the Americas, provide excellent and timely sales services and welcome your custom requests.

## Attending international trade fairs

Every year, we join in trade fairs around the world, including the Canton Fair, Hong Kong Electronics Fair, CES, Computex and CeBIT. Normal delivery time is 30 days after order confirmation. Contact us today.
